

Career and Technical Education Equity Council (CTEEC)

www.cteec.org

Annual Business Meeting
Committee Report

Thursday, December 2, 2010

12 noon – 1 p.m.

Las Vegas Convention Center, N220

- **Committee:**
Legislative
- **Committee Chair Name and e-mail:**
- **Committee Members Names:**
- **Committee Objectives:**
- Provide advocacy for equity issues within the larger career and technical education community. The following report provides a number of policy recommendations concerning the ways CTE can be strengthened and better structured to meet the needs of the emerging global economy - [Learning for Jobs: The OECD Policy Review of Vocational Education and Training Report](#).
- **Progress Report (2009-10):**
- The most recent list of ACTE Legislative Updates can be found at - http://www.acteonline.org/legupdate_111510.aspx#Read%20More
- **To-do List (Goals for 2010-11):**
- Ensure that all students have access to high-quality online learning that includes academic, technical and employability skills. ACTE offers suggestions for education and policy leaders for expanding high-quality online education – [Career Readiness Series](#).

- **Program of Work 2010-2011 Action Required:**

The current Education and Labor Committee ranking member released the following priorities, which are likely to form the basis for the committee's work in the 112th Congress:

- giving employers the certainty, flexibility and freedom to create jobs
- conducting robust oversight of education and workforce programs across the federal government to protect students, families, workers and retirees
- modernizing and streamlining training programs to help job-seekers get back to work
- pursuing education reform that restores local control, empowers parents, lets teachers teach and protects taxpayers

- **Projected Budget Needs (2010-11):**
